

# Labor Relations

John W. Budd

John Budd continues to present the most dynamic, engaging approach to understanding labor relations in the 21st century with *Labor Relations, 4/e*. This textbook presents labor relations as a system for balancing employment relationship goals (efficiency, equity, and voice) and the rights of labor and management.

- **New! Chapter 1 opener** to engage and pique students' interest in labor relations.
- **Updated current events in Chapter 3 to include** the new awareness of financialization in addition to globalization as a pressure on labor and labor events in the public sectors including the 2011 protests over Wisconsin's public sector bargaining law changes
- **New/Updated! Material in Chapter 4**, including updated quiz to include a social media scenario, new sections on union political contributions and recent controversies over public sector bargaining laws, and new box on Frances Perkins (1st female Secretary of Labor and key figure behind much of the New Deal legislation).
- **Comprehensive and completely updated** to reflect changes in recent events.
- **A rich intellectual framework** for understanding both the current labor relations system and possible alternatives that is paired with engaging historical and contemporary examples drawn from a wide variety of industries, occupations, and demographic groups
